PERSONAL STATEMENT

I am a talented and energetic young man who is trained and resourceful. I am a trained construction worker, painter and decorator.

I also have experience in shopkeeping and salesmanship. I am sober and hardworking. I am available to work day or night, as required by any job description. I am ready to be trained into other careers as well.

CAREER OBJECTIVES

To leave a mark of remembrance on my current and future environment.

To set up a multi-purpose construction company where many young people in my home country can be employed and/or trained to become productive skilled workers.

WORK EXPERIENCE

Date: August, 2021 – Present

Job Role: Construction Worker

Organization: Gapaadco Limited.

Duties: Building maintenance, painting, forklift operation, masonry. I work in the building construction department. I am given bricklaying, painting and decoration roles. On site, I am able to operate forklifts and excavators under the supervision of the site manager. In 2020 I was given a full-time permanent role as a construction worker in the company after successfully passing my induction training. I am currently a highly recommended worker among my superiors.

Date: July, 2018 – June, 2021

Job Role: Intermittent Mason (Apprentice)

Organization: Dunwell Construction Limited

Duties: I was an apprentice construction worker specializing in block/brick laying, floor tiling, wallpaper decorations and general construction works. I am able to do simple carpentry a plumbing works too. The reason I left was to undergo a formal training in a Technical/Vocational School, where I studied Building Construction Technology. The practical experience I had gained as an apprentice mason had prepared me to efficiently excel in my studies. In May/June, 2021, during my final examination, I came out with a Distinction in Construction Materials Processing (CMP), amongst other credits and passes.
