

Subin Suresh

Motivated and adaptable postgraduate student in Data Science at Heriot-Watt University, actively seeking part-time job opportunities to apply my diverse academic background and professional experience. With a foundation in computer applications, mechanical engineering, and industrial safety, along with practical experience in safety management, retail, and office administration, I aim to contribute effectively to organizational success. Skilled in programming, data analytics, and customer service, I am eager to learn, grow, and add value through dedication and continuous improvement.

EXPERIENCE

Tanjore Restaurant -- Edinburgh, Scotland — Kitchen Porter June 2025 – September 2025

- Maintained high standards of kitchen cleanliness by washing dishes, utensils, and cookware efficiently and hygienically.
- Supported chefs with basic food preparation and ingredient organization during busy service hours.
- Ensured all kitchen areas, surfaces, and equipment were cleaned and sanitized according to food safety regulations.
- Collected and disposed of waste appropriately, following recycling and waste management procedures.
- Restocked supplies such as cutlery, crockery, and cleaning materials to ensure smooth kitchen operations.
- Assisted in receiving and storing deliveries while checking product quality and stock rotation.
- Worked effectively as part of a fast-paced kitchen team, maintaining composure under pressure and meeting service deadlines.
- Followed strict hygiene, health, and safety procedures to ensure a safe and compliant work environment.

Five Guys -- Scotland, United Kingdom March 2025 – June 2025

- Delivered exceptional customer service in a fast-paced, high-volume environment, ensuring a positive dining experience for every guest.
- Prepared fresh food items to Five Guys' high standards, including burgers, fries, and milkshakes, while maintaining strict hygiene and safety protocols.
